श्री किशनदास जी गुरवाले

SHRI KISHAN DASS JI GURWALE
Hindu College, University of Delhi awarded 4th Rank in the NIRF All India ranking announced during the award ceremony at Vigyan Bhawan, on 3rd April, 2018.
Principal's Message

Since its inception 118 years ago, Hindu College has grown from a group of merely 13 students to a diverse and bustling community of over 3500 students. Deeply rooted in its tradition and heritage, Hindu College has been able to constantly reinvent its own identity primarily through the influx of hundreds of bright and talented students every year.

The motto of the college, 'Music of Truth', inspires the drive of seeking knowledge in all its ways and forms. The college, through its academic departments and a myriad of extra-curricular activities is able to sustain this pursuit of knowledge and is the ideal place for students to achieve excellence.

With an extremely dedicated set of teachers and support staff and an excellent infrastructure, the college ensures that the students are provided with the best environment to learn and grow in.

We seek to prepare our young women and men such that when they leave Hindu College, they are well-rounded individuals ready to take on challenges in their respective fields.

This prospectus is designed to welcome prospective students on the journey of seeking academic and extra-curricular fulfillment at our institution. In the glimpses of our college that are presented in this prospectus, there are hundreds of wonderful opportunities hidden for so many students who will become Hinduites this year.

I look forward to welcoming an exciting group of individuals from all corners of the country. I am convinced that your immense talent and dedication will take the college to greater heights. In return, your three years at Hindu will be some of the most memorable in your life: with several opportunities to grow as individuals and friendships to last a lifetime.

Hindu College is recognized as one of the premier academic institutions in the country. It stands tall in public esteem and also in the memories of its alumni, many of whom are now prominent figures in government, business and industry, the media and education. Notwithstanding its name, students from all religions have grown up here and excelled in the chosen areas of their interests, be it academics, sports, or extra-curricular activities.

Hindu College was founded more than a century ago in 1899, by Late Shri Krishan Dass ji Gurwale. In the backdrop of the nationalist struggle against British rule, some prominent citizens including Shri Gurwaleji of Delhi, decided to start a college that would, while being non-elitist and non-sectarian, provide nationalist education to the youth. Originally, the College was housed in a humble building in Kinari Bazar, Chandni Chowk, and was affiliated to Punjab University as there was no Delhi University at that time. As the college grew, it faced a major crisis in 1902 due to inadequate infrastructure. But fortunately, at this point, Rai Bahadur Sultan Singh generously donated a part of his historic property, (which originally belonged to Col. Skinner) at Kashmere Gate, to the College, thereby enabling it to function there till 1953, following which, it moved to its present location in Delhi University.

Hindu College was a centre for intellectual and political debate during India's freedom struggle, especially during the Quit India Movement. This is the only College in Delhi to have a Students' Parliament since 1935, which in fact, provided a platform to many national leaders including Mahatma Gandhi, Pt. Moti Lal Nehru, Pt. Jawahar Lal Nehru, Sarojini Naidu, Annie Besant, Mohammad Ali Jinnah, and Subhash Chandra Bose for motivating the youth. Responding whole-heartedly to Gandhiji's Quit India call in 1942, the college played a leading role in India's freedom struggle as some teachers and students of the College even went to prison.

The College has seen remarkable growth over the years. And, today it is not only one of the most distinguished graduate and postgraduate co-educational institutions in the country, but is also, by many accounts, the college of first choice in Delhi. It boasts of an accomplished faculty of about 140 members, and about 3600 students. The College is also proud of its efficient and very supportive administrative/non-teaching staff. It offers a number of courses in the Science, Humanities and the Social Science Streams. The College also has a rich collection of books and journals in its library, well-equipped laboratories, the NSS and NCC Rooms, etc. There is also a Students' Centre that offers the facilities of a seminar room, bank, computer room, stationery shop, and a photocopier, etc. Spread over twenty five acres of land, the College premises are housed in one of the prime locations of the North Campus of the University of Delhi, well connected by road and the Delhi Metro. The college campus is well known for its well-maintained gardens and lovely trees, a vast sports ground, and a men's hostel which can accommodate nearly 200 students. The College also has one of the finest auditoria in Delhi, a state-of-the-art seminar room, and last but not the least, its very own canteen where the eatables can get as sumptuous as the discussions. The work for the infrastructure development is underway. This includes the new Academic Block, and Girls' hostel which would accommodate nearly 150 students.

The College provides a liberal, lively and competitive environment enabling students to carve out a niche for themselves in their chosen arenas. Besides the infrastructural facilities, the strength of the College lies in its congenial and enriching atmosphere, which plays a crucial role in maintaining the excellent record the College is renowned for. Generations of students who have been groomed in this College have excelled in different walks of life, with the years spent in the College providing them a solid foundation on which they could craft their success. The College is committed to providing leadership and direction for the times ahead in every sphere of human enterprise and endeavor.

Hindu College celebrated its centenary in February 1999, renewing its commitment to the values and goals that it was founded on, and has stood for, since its inception. As part of the centenary celebrations, the Distinguished Alumni Awards were instituted, under the able leadership of Mr. Lalit Bhasin, an eminent lawyer. These Awards are conferred on those of its alumni who have made significant contributions in their fields. There are two additional awards, namely Lifetime Achievement Award and Young Achievers' Award, which also go to distinguished alumni. The Alumni Association has evolved, over the years, into a dynamic and vibrant body. It contributes actively towards the development and cultural activities of the college.

The Economics Department of Hindu College takes pride in being among the best Departments for the study of Economics at the undergraduate level. It comprises a young and dynamic faculty of nine members with diverse specializations and/or interests. For details of courses that will be offered by the Department, please visit www.du.ac.in. The teaching methodology combines standard methods of University education – lectures and tutorials, with written assignments, project work, field trips, and student presentations both in class and in seminars. Students are also encouraged to participate in the corporate and research life of institutions outside college through internships. The department has been attaching students from other countries as well.

The department has an active and vibrant Economics Society that organizes a variety of events to promote students' interest in the subject. These events include the Ranjan Roy Memorial Debate, O.P. Kaushik Memorial Lecture, and the Economics Festival "L' Economiste". The Society also brings out an annual Economics magazine "Arth" to which faculty members, students and professionals from related fields contribute articles.

All the activities are aimed at encouraging the students to explore beyond the frontiers of the prescribed syllabus, evaluate economic issues using the skills and tools acquired both inside and outside the classroom, and interact with experts from diverse areas of specialization.

The Department of Philosophy comprises a committed faculty with specialization in diverse areas such as Indian Philosophy, Greek Philosophy, Continental Thought, Logic, Ethics, Aesthetics and Philosophy of Religion. More than seventy five years old, the department has grown from strength to strength. At the time of its inception it had only one teacher on the faculty, the renowned, now deceased, Mr. Prem Chand. The current number of the faculty is five. To begin with, the department had offered Courses for B.A. Programme, Inter disciplinary and Discipline Centered Courses for the Honours students from other Departments, and conducted tutorials for Postgraduate students. Since July 2007, the department has launched an Honours programme for Undergraduate students. Hindu College is only the third co-educational college in the University of Delhi to offer an Honours Course in Philosophy. Our students have brought us laurels, each year we have been getting the top ranks in the University. In addition to the scheduled lectures and tutorials, the department also holds periodic lectures by renowned scholars, seminars, group discussions, debates and workshops, with the aim of augmenting the integral intellectual development of the students.

Since the past few years, a lecture series called 'SAMVAD' has been instituted in the department, Renowned academicians from various universities and institutions, both from India and abroad, are invited to deliver lectures under the aegis of this programme.

Political Science as a subject is concerned with the day-to-day affairs of individuals and society. It encompasses normative inquiry into larger questions as the best form of political order, the optimum relationship between the individual and government and the nature of the public good. It is the study of people’s perceptions of their own and of other societies and their place therein. It thus naturally involves looking into the myriad ways in which people seek to govern themselves and make decisions to manage and solve their common and collective issues. The focus is on the ways in which political power is distributed, operated and managed. In so doing, the subject dwells on moral ideals, ethical issues, political events actions and institutions. It includes both understanding and explaining the world of politics that is all around us.

The faculty consists of young and enthusiastic teachers committed to creating a democratic academic culture. At present, it has eight permanent teachers. The department offers a wide choice of optional courses including ‘Public Policy in India’, ‘Understanding South Asia’, ‘Feminism: Theory and Practices’, ‘Contemporary Political Economy’, ‘Feminism and Indian Politics’, ‘The United Nations and Global Conflicts’, etc.

The department has been very active in organizing seminars and symposia on issues of diverse interests. The participation of the faculty and the students on a regular basis in debates and discussions makes the department dynamic and vibrant.

The department offers B.A. (Honors) and MA courses at the undergraduate and postgraduate levels respectively. At the undergraduate level, the department also offers core and discipline based papers as part of the BA programme bouquet. Within the framework of the Choice Based Credit System, at the undergraduate levels, in particular, it offers various skill based interdisciplinary and generic courses. POLSO, the Political Science society comprises of all the students of the department. It has a democratic tradition of electing its own representatives who, in consultation with and under the guidance of faculty members, conduct the academic and cultural activities. The Society organizes its annual festival ‘POLITY’, where issues of varied interests are debated and discussed with renowned panelists, with a wide range of interests and specializations. Apart from the prestigious, ‘N.N. Agarwal Inter College paper presentation’, contest is also organized under the aegis of POLSO every year.

The society also brings out an in house annual magazine, ‘Siyasat’, where students and faculty members get an opportunity to express themselves creatively. The students are also involved in various other extracurricular activities such as debating, dance, music, theatre, choreography etc.

Established in 1969, the department of Sociology has a robust record of academic achievements and creative excellence. Our students consistently perform well in university examinations often securing top positions. Under the Choice Based Credit System (CBCS), the department offers fourteen Core Courses (CC), four Discipline Specific Electives (DSE), and two Skill Enhancement Courses (SEC) over six semesters for a degree in B.A. (Hons.) in Sociology. The CC impart fundamentals of the discipline in the first two semesters; in the third and fourth semesters, students are imparted knowledge of several substantive areas of Sociology, such as religion, politics, economy, and family and kinship as well as applied, skill based (SEC) and elective courses. The fifth and sixth semesters impart knowledge of specialized areas of research through a variety of DSEs, with students given an option to choose a preferred DSE, along with compulsory courses which give grounding in theoretical and methodological orientations of the discipline. In the final
semester, students have an option of writing an independent research essay. The courses are taught through well designed curricula comprising original texts and standard works by eminent sociologists. Pedagogically, the department places emphasis on interactive learning where students are encouraged to engage in meaningful dialogue with both peers and faculty.

The department also offers a range of Generic Electives (GE) to students from other departments.

The department has an accomplished faculty with considerable expertise in a wide range of subject areas including economic and political sociology, kinship, religion, gender, urban sociology, social stratification and sociological theories. Specialists in the discipline are also invited periodically to deliver lectures on a chosen theme to further invigorate the academic environment.

The department has an energetic 'sociological society' with elected student office bearers. In active collaboration with the faculty, the society organizes academic seminars, lectures and workshops during an academic year. Our annual departmental festival ‘RITES’ is the highpoint of the society's calendar; it is an inter-college event having both an academic and extra-curricular component. The department also brings out an annual journal of which students constitute the editorial team. In a recent endeavor, the department has inaugurated an Ethnographic Film Club, which holds screenings and discussions of ethnographic films from around the world. Our students also participate actively in various co-curricular societies of the college often assuming crucial leadership roles in them.

Through rigorous academic training and active extra-curricular engagements, our students are equipped to explore a range of career choices such as in social research, public policy, journalism and media, human resources, government service, the development sector, social work, law, and the core areas of teaching and disciplinary research. A sociology graduate from the department emerges as a critical and engaged citizen in a rapidly transforming world.

**Department of Botany**

The Department of Botany has since its inception grown in stature and standard. The faculty members are well qualified, who besides teaching, have also been pursuing research. The major areas of their current research interests include Electron Microscopy, Stain Technology, Reproductive Biology, Ecology, Plant Pathology, Molecular Biology, Cellular and Molecular Cytogenetics, Phycology, Applied Microbiology and Biotechnology. The teachers have published over 110 research papers in journals of national and international repute. They have, in addition, authored/edited a number of books/course materials for CBSE and NCERT. The faculty members of the department have conducted a number of research projects sponsored by UGC, DST and Delhi University. This has led to better infrastructure and facilities for the students.

The non teaching staff is helpful and cooperative. The students seeking admission to B.Sc. (Hons.) course in Botany come from diverse backgrounds from various places within and outside India. The Department provides them with a comfortable environment for their learning and overall grooming for future careers. Students are actively involved in research at the undergraduate level under various Innovation Research Projects sponsored by the University of Delhi. They also participate in Summer Internship Programmes in renowned labs such as National Institute of Immunology, Delhi and Indian Institute of Science, Bangalore.

The Alumni have distinguished themselves as teachers, scientists in Academic and Research Organizations, Government and Corporate sectors. The department has a Botanical Society-“Sanjeevani” which organizes Lectures by eminent botanists to keep the students abreast with the latest information in the field of plant sciences. The endeavor is to inculcate interest, curiosity and broaden their
minds for a better understanding of the subject at the undergraduate level, prepare them for higher learning in specialized areas and provide an insight into the future career options. The society organizes visits to Research Institutes to provide theoretical knowledge as well as hands-on training to the students in the research labs. The society also organizes field excursions to educate students about the natural habitats of diverse plant groups. Besides educating the students about various plants, it also provides an opportunity for better interaction among students and the faculty members, thereby creating a conducive environment for more effective teaching-learning process. During the annual festival ‘Inflorescence’, various inter- and intra-college events are organized to widen the horizons of their knowledge and also encourage them to improve their creative talent and skills.

Department of Chemistry

The Department of Chemistry has been one of the most prestigious and well known Departments across the University. It has the distinction of having some very eminent teaching faculty who have been well known authors. With a dedicated team of fifteen strong academicians, the department takes pride in the credit of producing University
toppers consistently in the undergraduate and post graduate programme. Students of the department are able to get admission in some of the best Post-graduate, research based Science and Engineering courses in India and abroad. To name a few, mention should be made of institutions like TIFR, IISc, IITs, TERI etc. Apart from classroom teaching, several of the faculty members are actively involved in research projects and publishing books. The Department has two well-equipped laboratories along with an instrumentation laboratory that houses modern instruments, such as U.V-Visible Spectrophotometer, Flame Photometers, Potentiometers, pH meters and Colorimeters etc.

The Department boasts of a vibrant co-scholastic society, 'TATVA', where the students and teachers interact beyond classroom and course curricula, to express themselves freely. The society organises seminars, workshops and popular lectures on regular basis to enrich and update its members with the latest developments across the globe. One of the most attractive events organized by the society is the Inter-College festival 'CATALYSIS' which also witnesses the release of the annual e-magazine 'SUBSTANCE'. The department of B.Sc. Physical Science with chemistry organizes its annual fest "URJOTSAV" for the society 'TURRIS' and also released their annual e-magazine "Essence". International conferences/seminar, industrial visit colony with conceptual test in chemistry (CONTECH exam) is regular feature of the department.

The department of mathematics takes pride in being among the best Departments for the Study of Mathematics at the Undergraduate level. It has a glorious past. Renowned mathematicians of national and international repute like Prof. P. C. Jain, Prof. J. N. Kapoor, Prof. J. M. Kapoor, Prof. K. C. Gupta, Prof. A. I. Singh, Dr. K. P. Chinda, Dr. J. K. Kohli & Dr. S. B. Malik have been on its faculty. The present department of Mathematics has highly qualified, committed and experienced members on its faculty, with diverse specializations and/or interests. The teaching methodology combines lectures, tutorials, practicals in various mathematical softwares, written assignments, tests, project work & student presentations. The department believes in balancing academics with Co-Curricular activities.

The Mathematical Society of the department ‘Acuity’ is one of the most vibrant Society of the college. Apart from holding lectures by eminent mathematicians throughout the year, it organizes its annual festival ‘Alpha’. The fest creates a platform for events like quizzes, discussions, brain games, mathematical riddles, paper presentation & lectures by eminent personalities. The society publishes its annual magazine “Annulus” which adds new dimension to the department. The complete planning and execution of the activities of the society is carried out by the students in consultation with faculty members. The main motivation is to inculcate a sense of responsibility, leadership qualities, team management and practical experience of event management for the overall personality development of the students.

The Department offers the following courses:

The Department of Physics is one of the oldest Department of Hindu College. It has made significant contribution to the growth and the development of the College as an Institution. The principal aim of an educational institution is to transform the young minds into enlightened individuals. The Physics Department has always emphasized adherence to high ethical values within the academic community of students and teachers. The Teacher-Student relationship has seen a paradigm shift over the years. The Teachers are not only the 'Mentors', but also the 'Friends', on whom students can depend in hour of need. With a committed and a highly accomplished faculty, vibrant environment for innovations and excellent performance record of the students, the department attracts the brightest of students from 10+2 stream.

The faculty members, with specializations in different areas of Physics, place great emphasis on teaching as well as research work. The department has two well-maintained laboratories which are being upgraded every year with latest equipment. It has a computer laboratory equipped with latest facilities and research labs in which the students can carry out their project work, play around with the concepts of Physics, give shape to their innovative ideas and exhibit their creative skills. Classrooms and labs are equipped with projectors for efficient and hi-tech teaching. The department has highly qualified and dedicated faculty, some of whom are working on different research projects and are also engaging students in research work. The faculty members have research papers and well written articles, in renowned journals, to their credit. They have been contributing immensely to the corporate life of the college. Many of them are actively involved in the Administrative work of the Institution. In addition to the teaching of B.Sc. (Hons.) Physics course, the department has the responsibility of running the B.Sc. Physical Science (Electronics) course. The department also shares the responsibility of teaching the B.Sc. Physical Science (Chemistry) course. With a history of many decades of academic pursuits alone, it was realized, that the creative energy of the students also needed to be channelized. This laid foundations for the department festival “QUARKS”, along with the release of its
magazine-QUARKS. This has become a regular feature now and the Physics society “EUREKA” organizes its annual festival every year. Among the various events of the festival that include paper reading, quizzing, debating, poster presentation etc., the lecture series and panel discussions by eminent physicists, remain the major highlight. In addition, the Physical Science with Electronics society ‘ACME’, organizes its annual festival ‘VIVACE’.

Since its inception, QUARKS-the annual publication of the department, has been a platform for students to express their views and articulate their interests. The articles deal with the analysis of physical concepts. These include the explanations of established theories and various other phenomena of our everyday life. Creativity finds its expression in the design of the publication. Our students have consistently performed well in the University examinations securing top positions. They have been getting admission, for higher education, in top most universities/Institutions like IITs, Indian Institute of Science Bangalore, TIFR etc., in India and universities abroad. Our students have also carved their niche in various professional areas – Civil Services, Defence Services, management, R & D's etc.

At the undergraduate level in Delhi University, Statistics at Hindu College was the first in its league. It premiered in the year 1975, post which others followed this suit in the subsequent years.

From social networking to cloud computing to gaming, there is no field untouched by large amount of data – structured or unstructured. Adopting a scientific approach for analysing such data is the key to extraction of information. In this regard, Statistics as a subject plays a predominant role. It has wide ranging applications in areas such as the Google Intuitive Search, insurance premiums, “Shuffle Feature” on the iPods or other music players, Duckworth/Lewis Method in cricket etc.

The Department has a permanent faculty of committed teachers who specialize in various academic fields of Statistics like Inference, Stochastic Modeling, Prediction Theory, Biostatistics etc. Besides regular teaching, the faculty members are also involved in research projects and publishing books. In an age overwhelmed with data, students possessing a first or second degree in Statistics are high on demand. With flourishing job opportunities and immense scope to rise, it is definitely the need of the hour. To name a few-Civil Services, Indian Statistical Services, Management Schools, Actuarial Sciences, Analytics.

The Department has a vibrant society, which organizes its annual function ‘KURTOSIS’. The festival includes a series of academic lectures, quizzing, debating etc.

The Department of Zoology is coveted by the biology students of the entire country for pursuing higher studies in the field of Animal Sciences. The Department attracts some of the best talent from all the corners of India. It is in fact the first choice the students qualifying their +2 examinations in Biology stream and wishing to pursue studies in the discipline of Zoology. The Department has an accomplished faculty having specialized in diverse research disciplines namely Cell Biology, Entomology, Fish Biology, Immunology, Reproductive Biology etc. Five research projects funded by UGC, DST and University of Delhi, under Innovation Project Scheme have been successfully completed by the faculty members of the Department. Three innovation projects were awarded to four faculty members of the department in collaboration with four faculty members of the Chemistry Department between the years 2010-2015. Dr. Soma V. Ghoria has guided two students and Dr. Anupam S. Varshney has guided one student for Doctorate degree.

The informal attitude of the faculty and laboratory staff of the Department provides an easy and interactive atmosphere conducive for learning and personality development. The Zoology Department has a vibrant society aptly named 'GENESIS', which conducts a number of extra-curricular activities throughout the year with the aim of nurturing the budding scientists for their all-round personality development. 'Genesis' offers the students a chance for self-expression and self-assertion and helps them to imbibe good social and moral values. As the planning and execution of the various activities of the society are carried out by the students themselves, this inculcates in them a sense of responsibility and brings to the fore dormant leadership qualities which provide an edge to stand out amongst the crowd. Our students have brought us laurels, and each year, we have been getting the top ranks in the University.

The alumni have been able to carve out a niche for themselves in their chosen areas of specialization. The upgradation of the infrastructure is an ongoing process in the Department. Students are also exposed to hands on research in addition to their usual curricular activities. The Department has a well-organized Museum, its own computers with internet connections, a digital library with a collection of the latest editions of over 1400 books, a rich collection of research/ review papers from scientific journals, around 300 Nature/ Science documentaries and films and a dedicated LCD projection facility for them. The students are also taken to reputed research labs, field trips, excursion tours for practical learning outside the four walls of their labs and classroom. The students also undertake summer training to acquaint themselves with recent research in Biological sciences in some of the renowned research institutes in the country, namely IISC and JNCASR, Bangalore; TIFR, Mumbai; NBRC Gurgaon; NII, Delhi, etc.

प्राणि विज्ञान

कॉलेज का प्राणि विज्ञान (जूरिजी) विभाग विद्यालय से जीव विज्ञान पढ़कर आए विद्यार्थियों के लिए प्रथम प्राथमिकता है। विभाग की प्रतिष्ठा का कारण निम्नलिखित संक्षेप होना है जिसका आलोचना है - विविध अनुसंधान विषय, जैव बायोलॉजी, कट्टर जीव विज्ञान, इयनोलॉजी आदि में विभाग का सड़क क्षेत्र होता है। यदी नहीं, विभाग की संरचना दृष्टि सोमा घोराई को डीएसटी यजीसी मेजर रसच और डीएसटी यजीसी मेजर रसच के आग्रह के रूप में भी सक्रिय है। विविधविद्यालय द्वारा वर्ष 2010-2015 में संपूर्ण रूप से रसायन विज्ञान विभाग के कुछ सदस्यों के साथ हमारे बार साथ संथा को तीन नवाचार परियोजनाओं से समाप्त किया गया।

विभाग के संकाय सदस्य और प्रयोगशाला स्ट्राफ के द्वारा शाहज और सौहार्दपूर्ण वातावरण से विद्यार्थियों को सीखने और अपने सम्पूर्ण विकास के लिए प्रेरित करने का प्रयास किया जाता है। विभाग विद्यार्थियों के सर्वोच्च विकास के लिए और नवाचार विद्यार्थियों को प्रीतिसहित करने के लिए वर्ष भर अपनी सक्रिय और गतिशील संस्था GENESIS के माध्यम से सह शैक्षणिक गतिविधियों का आयोजन करता है। यह संस्था विद्यार्थियों को आलोचना, आन्तरिक और आन्तरिक विकास के लिए अपने अवकाश प्रदान करती है और उन्हें सामाजिक और नैतिक मूल्यों को आत्मसात करने के लिए प्रेरित भी करती है। हमारे विद्यार्थी प्रतिवर्त विश्वविद्यालय में शीर्ष स्थान प्राप्त कर विभाग को गौरव का अवसर देते हैं।

मौलिक उन्नयन हेतु विभाग में एक सतत प्रक्रिया है। विभाग निर्माणित संग्रहालय, इंटरनेट कनेक्शन के साथ अपने स्वयं के कंप्यूटर, 1400 से अधिक पुस्तकें, वैज्ञानिक पत्रिकाओं से अनुसंधान / समीक्षा सामग्री के विभिन्न लिखित संस्करण के साथ एक डिजिटल लाइब्रेरी, लगभग 300 प्रकृति / विभाग वृत्तचित्र और फिल्मों का संग्रह और एल्सीडी प्रकाशन सुविधा भी उपलब्ध कराता है। विद्यार्थियों को अपनी प्रयोगशालाओं और क्रम के बाहर व्यावहारिक विशेष के लिए प्रतिष्ठित अनुसंधान प्रयोगशालाओं, क्षेत्र यात्राएं, भ्रमण -पर्यटन के लिए भी ले जाया जाता है। साथ ही विद्यार्थियों को नीति अनुसंधान के लिए प्रतिष्ठित अनुसंधान संस्थाओं (जैसे आईआईएससी और JNCASR, बंगलोर, टीआईएफआर, मुंबई; एनबीआरसी गुढंगां, एनआईआई, दिल्ली) में से कुछ जगहों पर विषय से सम्बन्धित शोध के साथ खुद को परिचित कराने के लिए गिम्यों में प्रशिक्षण का अवसर दिलवाने में हम सफल रहे हैं।

Helpline Counselling Services
Delhi University under its Population Education Resource Centre has started Helpline Counselling Services on HIV, AIDS, Sexuality, Drug Abuse and Adolescent issues. Services will be available on 27667280, 27667225/303 from 9.50 am to 5.00 pm. (Monday to Friday).

Teaching for all classes shall commence from 20th July 2017 as per the academic calendar of the University of Delhi. Except on holidays, and during vacations, teaching (lectures, tutorials/preceptorials) will take place on six days every week from Monday to Saturday according to a notified weekly timetable for each course. Practicals will take place on six days of the week, from Monday to Saturday.

Identity Card
Every student of the college is issued an Identity Card which he/she is expected to carry with him/her at all times. He / She will have to produce it whenever demanded. Students should collect their new Identity Cards at the beginning of the new academic session. The Identity Card must be surrendered at the time of leaving the College.

In case of loss of Identity Card, a duplicate card can be issued from the office on payment of ₹400/-. For this, the student shall first lodge an FIR at a Police Station.

Attendance Rules
In order to be eligible to appear at a University Examination every student has to attend a minimum of two third of the total number of lectures delivered at the college in all subjects as also in Tutorials/Preceptorials, as the case may be, taken separately in each Semester. The University Ordinance VII, Clause 2-A, Part (ii) states that the College shall have power to strike off the name of a student who is irregular in attendance or when the absence of the student is for such a long period that he/she cannot put in the requisite percentage of attendance. These rules are strictly followed. Parents/Guardians are advised to periodically meet teachers of their wards to know the progress of their ward in studies and punctuality in attending classes.

Note: Late admission, if granted, is entirely at the risk of the students concerned and no concession in regard to attendance is allowed. Attendance will be calculated from the date the College re-opens after the summer vacation.

When a student is required to represent the College in competitive events - sports, cultural activities and debates sponsored by the College - he/she must apply for permission in advance, in writing to the Principal.

Exemption from attendance for other reasons may be granted only if permitted by the Principal in writing. Such permission must be obtained well in advance and not at the time of examination.

Application for leave of absence due to sickness/hospitalisation must be supported by a medical leave and fitness certificate from a recognised medical practitioner, and should reach the Principal within a week of the student re-joining college on the expiry of leave.
Internal Assessment

As per the decision of the University of Delhi, with effect from the academic year 2003-2004, 25% of the marks in each course would be awarded to students on the basis of Internal Assessment. (Please refer to Ordinance VIII-E of the University of Delhi).

Rules of Discipline

1. Students are responsible for their conduct to the Principal and are prohibited from doing anything either inside or outside the college that will amount to a breach of discipline or interference in the discipline and normal working of the college. A student shall be liable to disciplinary action for violation of any of the rules of discipline. Disciplinary action may involve warning and/or suspension from classes, from the examination, from use of the College Library or even from the College as such, or any such action as provided for in Ordinance XV (B), XV(C) and XV (D) of the Rules of Discipline of the University of Delhi.

Hostels in academic institutions are the epicenter of the dynamics of the campus life. Spread over vast area and surrounded by green cover, encompassing gardens, inside and outside lawns, Hindu College Hostel, for over a half century has been providing fuel and force to the life and motion of College’s liberal democratic academic culture. Hindu College Hostel, with its architectural grandeur and aesthetics, has been an abode to many luminaries in a wonderful kaleidoscope that the time-space spectrum is.

Situated next to the sports complex, the Hostel is a spacious structure with 119 rooms enclosing eight lawns with rose beds and hedges. The Hostel provides residential facilities to about two hundred undergraduate and postgraduate male students. The Common Room provides the residents recreational facilities such as Table-tennis, Carom-board, Chess-board, and a separate TV room apart from the newspapers and magazines to keep them on the qui vive.

Admissions are strictly on the basis of merit and the resident students are expected to maintain the spirit of camaraderie and dignity. The guiding principle for the Hindu College community has been to uphold democratic and egalitarian values and strive towards intellectual excellence.

ADMINISTRATION - The Hostel is managed by the Hostel Committee which is constituted by the Staff Council of the College and executed by the Warden in consultation with the Principal. Dr. Naorem Santakrus Singh, Assistant Professor, Department of Physics, is the Warden.

The Hostel Office, located within the Hostel premises, is an integral part of the Hostel. There are several employees to look after the daily chores in the hostel. They include an office clerk, a mess manager, mess/room bearers, cooks, watchmen, janitors, gardener and a few others for kitchen and pantry work. In addition, there is a dry cleaner and a newspaper vendor to provide services to the resident students. The health services are made available to the residents by the WUS Health Center located within the University Campus. All prospective candidates are required to contact the Hostel Office for Information.

Girls’ Hostel

With an illustrious history spanning about 119 years, the College attracts highly talented students for its Under-Graduate and Post-Graduate programmes. The Institution is known for imparting high quality education and for providing a healthy environment for the growth and development in both Academics and the Co-Curricular activities. Taking note of the need for a residential facility for female students of Hindu College, a four-storeyed structure was constructed in the College campus to accommodate 156 students on a twin-sharing basis. It is a matter of great pride that the student residence for the Girls of this College was made fully functional from the last Academic session. We are proud to have a body of girl students who are whole heartedly devoted to the value of excellence as its residents. All the residential rooms are air-conditioned. Round-the-clock security is provided with security guards at the main gates of the hostel. There are CCTV cameras to ensure the safety of the residents at all times. The Hostel has a common room on the Ground Floor where residents can read daily newspapers and magazines, and play indoor games. Television with cable facilities is also provided. The Hostel has a badminton court and an open air space for other recreational activities. Other facilities include a spacious kitchen with modern facilities, a common dining hall, a medical room and common rooms on each floor, which are
being used as reading rooms and conference rooms by the students. Each floor has been provided with a well-equipped Pantry for off time self-preparation of snacks/refreshments. There are water coolers on every floor. The Laundry rooms on each floor are fitted with fully automatic washing machines and the Laundry stands. A round-the-clock Lift service ensures the smooth movement of the students on different floors. Dr. Anita Vishen, Associate Professor, Department of Physics is the Warden of the Hostel.

In keeping with the commitment to the environmental issues, a Solar Water heating system has been installed on the roof top of the Hostel. Great care is being taken to keep the entire place neat and tidy. The Hostel offers fee waiver for its three PwD residents. For students coming from different states and diverse backgrounds, the Student Residence for Girls is thus a very comfortable space - 'A Home away from Home'.

8. Procedure for Calculating ‘Best Four’

I. Procedure for calculation of ‘Best Four’ subjects percentage for Honours Programmes (For admission to Arts/ Humanities Programmes):

a. The merit shall be determined on the basis of one language and three best academic/elective subjects from LIST A.

b. Out of three, academic/elective subject chosen above, one must be the concerned subject in which the admission is sought, failing which a deduction of 2.5% will be imposed on the calculated ‘Best Four’ percentage.

For honours in languages refer to point 6 of Basis of calculation of Best Four given below.

Note:

i. If an applicant doesn’t include the subjects given in LIST A in ‘Best Four’, then a deduction of 2.5% of maximum marks will be levied for each subject for the purpose of calculating ‘Best Four’.

ii. All subjects to be included in the calculation of ‘Best Four’ must have at least 70% theory component of exam. *In case, the subject to be considered does not have 70% theory component and 30% practical component, then the marks of theory and practical only shall be converted to 70% and 30%, respectively on pro rata basis. These new marks will then be considered for calculation of ‘Best Four’.*

Examples

(1) If an applicant has scored: Physics 90 (theory 50, practical 40; max. marks theory 60, practical 40), and Chemistry 91 (theory 52, practical 39; max. marks theory 60, practical 40) which is not in ratio of 70:30, then the marks can be converted on pro rata basis

Pro rata marks in physics = \( \frac{(50/60) \times 70 + (40/40) \times 30}{2} = \frac{35 + 30}{2} = 37.5 \)

Pro rata marks in chemistry = \( \frac{(52/60) \times 70 + (39/40) \times 30}{2} = \frac{36.4 + 29.25}{2} = 32.775 \)

(2) If an applicant has scored: Physics 88 (theory 45, IA 14, practical 29; max. marks theory 56, IA 14, practical 30), Chemistry 92 (theory 48, IA 14, practical 30; max. marks theory 56, IA 14, practical 30), English (90) and Biology 95 (theory 51, IA 14, practical 30; max. marks theory 56, IA 14, practical 30). Mathematics 92. The marks in Physics, Chemistry and Biology have less than 70% theory component and therefore have to be converted to 70:30 ratio on pro rata basis.

For Physics, it is \( \frac{(45/56) \times 70 + 29}{2} = \frac{36.625 + 29}{2} = 37.75 \)

For Chemistry, it is \( \frac{(48/56) \times 70 + 30}{2} = \frac{42 + 30}{2} = 36 \)

For Biology, it is \( \frac{(51/56) \times 70 + 30}{2} = \frac{45.75 + 30}{2} = 50.375 \)

The following discipline subjects must be treated as Academic/ Elective subjects for the purpose of undergraduate admissions. All other subjects offered by different boards may be treated as non-elective.

**Basis of calculation of Best Four**

1. Mass Media Studies will be treated as an academic subject for the purpose of admission to B.A. (Hons.) Journalism (Hindi/English).

2. In case an applicant has studied elective and core languages, the core language subject will be treated as language, while elective language can be considered as academic/elective subject.

3. Admission to B.A. (Hons.) Applied Psychology will be based on ‘Best Four’ percentage as in B.A. (Hons.) Psychology.

4. Admission to B.A. (Hons.) Social Work and B.A. (Hons.) Philosophy will be based on ‘Best Four’ percentage including one language and three academic/elective subjects as per the above procedure.

5. The applicants must have studied and passed Mathematics at the qualifying exam for admission to B.A. (Honours) in Economics.

6. (a) For admission to Honours in any language programme, advantage of 2% in the ‘Best Four’ percentage will be given to those applicants who have studied that particular elective language.

   (b) In case, an applicant has not studied a language at qualifying exam and is seeking admission to Honours in that language (except for Honours in English and Hindi, refer (c)), deduction of 5% will be imposed on ‘Best Four’ percentage.

   (c) For admission to Honours in English and Hindi, the applicant must have studied and passed the respective language in the qualifying exam and should include respective language for calculation of ‘Best Four’ percentage.

7. University may define any other relevant subjects as an academic/elective for a particular Honours programme.
### Example 1:
If an applicant has scored: Accountancy (90), Business Studies (92), English Core (88) and Economics (94).
Total marks are 90+92+88+94=364,
Percentage is 91%.
The effective percentage for:
- B.A. (Hons.) English is 91%,
- Not eligible for B.A. (Hons.) Economics,
- B.A. (Hons.) Political Science is 91% - 2.5% = 88.5%.

### Example 2:
If an applicant has scored: Physics (96), Chemistry (92), English Core (90) and Mathematics (94), Economics (83).
Case 1: Total marks are 96+92+90+94=372, Percentage is 93%. The effective percentage for:
- B.A. (Hons.) History is 93% - 2.5% = 90.5%,
- B.A. (Hons.) English is 93%,
- B.A. (Hons.) Economics is 90.5%.
Case 2: Total marks are 96+90+94+83=363, Percentage is 90.75%. The effective percentage for:
- B.A. (Hons.) History is 90.75% - 2.5% = 88.25%,
- B.A. (Hons.) English 93%,
- B.A. (Hons.) Economics 90.75%

Comparing Case 1 & Case 2, Best Four for B.A. (Hons.) History is 90.5%
B.A. (Hons.) English 93%
B.A. (Hons.) Economics 90.75%

### Example 3:
If an applicant scored: Accounts (88), English Core (92), Punjabi Elective (90), Mathematics (82) and Web Designing (96).
Total marks are 88+92+90+96 = 366,
Percentage is 91.5%.
The effective percentage for:
- B.A. (Hons.) History is 91.5% - 2.5% - 2.5% = 86.5%
- B.A. (Hons.) Punjabi is 91.5% - 2.5% + 2% = 91%
- B.A. (Hons.) English is 91.5% - 2.5% = 89%

### Example 4:
If an applicant has scored: Accounts (90), Business Studies (92), English Core (88) and Home Science (94), Mathematics (85).
Case 1: Total marks are 90+92+88+94=364, Percentage is 91%.
The effective percentage for B.A. (Hons.)
- Psychology is 91 – 2.5 = 88.5%
- Economics is 91 – 2.5 = 88.5%
- English is 91%

### Example 5:
If an applicant has scored: Physics (85), Chemistry (90), English Core (90) and Biology (85), Mathematics (75).
Total marks in PCBE are: 85+90+85+90=350
The percentage is 87.5%
The effective percentage for:
- B.A. (Hons.) English is 87.5%
- B.A. (Hons.) Political Science is 87.5 % – 2.5% = 85%
- B.A. (Hons.) Economics is 87.5 % – 2.5% = 85%

### Example 6:
If an applicant has scored: English Elective (92), History (65), Political Science (85), Geography (89) and Home Science (90).
Total Marks = 356 excluding History.
The percentage is 89%. The effective percentage for:
- B.A. (Hons.) English is 89 % + 2% (Elective)= 91%
- B.A. (Hons.) Political Science is 89%.
- B.A. (Hons.) History 89 - 2.5% = 86.5% (History not included)
- B.A. (Hons.) Psychology 89-2.5% = 86.5%
II. Procedure for calculation of ‘Best Four’ subjects percentage for B. Com. (Honours)/B.Com.

One Language from Part 1 of List C1 + three best subjects out of Part 2 of List C1.

OR

One Language from Part 1 of List C1 + any combination of subjects out of Part 2 of List C1, List C2 or any other subject (not listed either in List C1 or List C2). In such a case, the deduction of marks from aggregate percentage of ‘Best Four’ shall be as follows:

i. For every subject included from List C2, a deduction of one percent in aggregate percentage of ‘Best Four’;

ii. For every other subject (not listed either in List C1 or List C2), a deduction of 2.5% per subject in aggregate percentage of ‘Best Four’.

Note:

1. All subjects to be included in the calculation of ‘Best Four’ must have at least 70% theory component of examination. In case the subject to be considered does not have at least 70% theory component, then the marks obtained in theory and practical shall be converted to 70% and 30% respectively, on pro rata basis. The marks so arrived at will then be considered for calculation of ‘Best Four’.

2. The applicant must have studied and passed Mathematics/Business Mathematics at the qualifying examination for admission to B. Com. (Hons.).

3. The computation of ‘best four’ subjects in the above framework should lead to an effective and unique ‘best four’ which would be higher than any other combination of ‘best four’ subjects.

**Example 7:**
If an applicant has scored: Accountancy (90), Business Studies (92), English Core (88) and Economics (94). Total marks are 90+92+88+94 = 364, Percentage is 91%.
Not eligible for B.Com. (Hons.)
The effective percentage for B.Com. is 91%.

**Example 8:**
If an applicant has scored: Physics (96)*, Chemistry (92), English Core (90) and Mathematics (94).
Total marks are 96+92+90+94 = 372, Percentage is 93%.
The effective percentage for both B.Com. (Hons.) & B.Com. is = 93 – 2 x 1% = 90%
If an applicant scored: Accountancy (88), English Core (92), Punjabi Elective (90), Mathematics (82) and Web Designing (96).

Case 1: Total marks are 88+92+90+96 = 366, Percentage is 91.5%.
The effective percentage is 91.5 – 2 x 2.5% = 86.5
Case 2: Total marks are 88+92+82+96 = 358
Percentage is 89.5%,
The effective percentage is 89.5% - 2.5% = 87%

Case 2 is unique “best four”, so effective percentage for both B.Com. (Hons.) & B.Com. is 87%

Example 10:
If an applicant has scored: Accountancy (90), Business Studies (92), English Core (88) and Home Science (94), Mathematics (85).

Case 1: Total marks are 90+92+88+94=364, Percentage is 91%.
The effective percentage is 91% – 1% = 90%
Case 2: Total marks are 90+92+88+85=355, Percentage is 88.75%.
The effective percentage is 88.75%

Case 1 is unique “best four”, so effective percentage for both B.Com. (Hons.) & B.Com. is 90%

Example 11:
If an applicant scored: History (88), English Core (92), Political Science (90), Philosophy (67) and Web Designing (96). Total marks are 88+92+90+96=366, Percentage is 91.5%.
Not eligible for B.Com. (Hons.)
The effective Percentage for B.Com. is 91.5% – 1% – 1% – 2.5% = 87%

Example 12:
If an applicant has scored in Mathematics (90), Business Studies (82), Hindi (88), Web designing (94)* and Painting (95)*.

Case 1: Total marks are 90+88+94+95=367. The Percentage is 91.75%.
The effective percentage is 91.75% – 2 x 2.5% = 86.75
Case 2: Total marks are 90+82+88+95=354. The Percentage is 88.75%.
The effective percentage is 88.75% – 2.5% = 86.25

Case 1 is unique “best four”, so effective percentage for both B.Com. (Hons.) & B.Com. is 86.75%

* Marks in physics/chemistry/biology papers should be in ratio of 70: 30 (theory: practical), otherwise, marks calculated on pro rata basis will be considered.

III. Procedure for calculation of ‘Best Four’ subjects percentage for B.A. programme:

a. One Language (Core/Elective/Functional)
b. Any three elective subjects can be chosen. A deduction of upto 5% on ‘Best Four’ percentage may be imposed if there is a change of stream for admission to B.A. programme, which means either from Commerce stream to Arts/Humanities/Social Sciences or from Science stream to Arts/Humanities/Social Sciences.
c. One non-listed (LIST A of Annexure II) subject can be included in calculation of ‘Best Four’ without any deduction.
d. For admission to B.A. (Vocational) only, related vocational subjects may be treated at par with academic/elective subjects and upto two vocational subjects, which are in relationship with the programme of study may be included for the calculation of ‘Best Four’.
e. If an applicant opts for Modern Indian Language (MIL) (Except Hindi) as a subject, an advantage of up to 10% may be given in ‘Best Four’ in those colleges where MIL is offered as a subject.

Note:

i. The college will have to notify the actual deduction upto 5% for change of stream beforehand by uploading on their website and intimating the same to the University.

ii. If more than one non-listed subject is included for calculation of ‘Best Four’, a deduction of 2.5% each in ‘Best Four’ may be levied in addition to deduction due to change of stream, if any.
iii. All subjects to be included in the calculation of ‘Best Four’ must have at least 70% theory component of exam. **In case, the subject to be considered does not have 70% theory component and 30% practical component, then the marks of theory and practical only shall be converted to 70% and 30%, respectively on pro rata basis. These new marks will then be considered for calculation of ‘Best Four’ in addition to Note (i).**

The effective percentage for B.A. programme is 91.75% - 5%** - 2.5# = 84.25%

** is deduction due to change of stream.
# is for second vocational subject.
*Marks in these papers should be in ratio of 70: 30 (theory, practical), otherwise, marks calculated on *pro rata* basis will be considered.

**Admission to Science Programmes**

The Basis of Selection for Mathematical Sciences/Science/Interdisciplinary & Applied Sciences programmes is listed in Section 25 and Section 26. All the subjects to be included for Basis of Selection (PCM/PCB/PCMB) must have at least 70% theory component of examination. In case, the subject to be considered does not have 70% theory component and 30% practical component, then the marks of theory and practical only must be converted to 70% and 30%, respectively on pro rata basis. These new marks will then be considered for calculation of PCM/PCB etc.

Physics and Chemistry have 60% theory component and 40% practical marks.
Pro rata marks in physics = 88.33%
Pro rata marks in chemistry = 89.92%
Therefore, Total marks in PCM are: 88.33+89.92+95=273.25=91.08% and PCME are: 88.3+89.92+95+90 = 363.25 = 90.81%. | If an applicant has scored: Physics 88 (theory 45, IA 14, practical 29; max. marks theory 56, IA 14, practical 30), Chemistry 92 (theory 48, IA 14, practical 30; max. marks theory 56, IA 14, practical 30), English (90) and Biology 95 (theory 51, IA 14, practical 30; max. marks theory 56, IA 14, practical 30). HINDU COLLEGE IS A NO SMOKING ZONE

"Delhi University is partnering with Delhi Police and World Lung Foundation — South Asia in promoting a tobacco-free environment. As a step in that direction, smoking is banned in our College".
On February 19, 2018, students of the Zoology Department under the guidance of a passionate bird watcher, Ms. Misha Bansal and Dr. Anupam V. Sharma, Faculty Advisor of Earthlings—the Wildlife society of Hindu College, participated in the ‘Campus Bird Count’—an event of the Great Backyard Bird Count—India, to spot the various species of birds in Hindu college. It is delightful to know that the college boasts of rich bird diversity, with 26 species of birds being identified on that day. The students greatly enjoyed the bird sighting conducted for the very first time on the campus, and said it was an entirely different experience outside the four walls of the classroom!
