

Shri Ramesh Kumar Dua

Shri Ramesh Kumar Dua's philanthropic contributions to Hindu College have played a transformative role in elevating the institution and enriching the educational experience for students, faculty, and the entire college community. Shri Ramesh Kumar Dua is the visionary

philanthropist and Managing Director of Relaxo Footwears Ltd. His legacy as a philanthropist will continue to inspire generations of students and serve as a testament to the transformative power of giving back to education.

RELAXO RESEARCH CENTRE FOR INTER-DISCIPLINARY STUDIES

The Relaxo Research Centre is a cutting-edge facility dedicated to interdisciplinary research. It boasts of a technologically advanced building and offers state-of-the-art laboratories, in order to promote world-class research in various fields including natural sciences as well as

social sciences, including Chemistry, Perfumery, Life Sciences, Gender Studies, Languages, History, and more. This remarkable establishment was made possible by the generous donation of **Shri Ramesh Kumar Dua**, the visionary philanthropist and Managing Director of Relaxo Footwears Ltd.

Within the Research Centre, there are over 20 laboratories catering to the sciences, humanities, social sciences, and finance sectors. Additionally, there is a specialized Multimedia Lab. The science research labs are fully equipped with sophisticated instruments including

FTIR, ED-XRF, GC, GC-MS, Tunable Light Source, Rotor-Evaporators, CO₂/O₂ Incubation, Stability Chamber, and Environment Chamber. The various facilities made available by the Relaxo Research Centre would undoubtedly help the students and faculty of Hindu College live up to the spirit of the National Education Policy - 2020, with its emphasis on multidisciplinary, academia-industry collaboration, innovation, research and entrepreneurship.

Some of the top-notch instruments and equipment that are available for use in the Research Centre have been facilitated by the generous donation of **NBCC (India) Limited**. NBCC's aid has made it possible for the students and faculty of Hindu College to gain access

to research of the highest quality and standard. The inauguration of this state-of-the-art Research Centre was graced by Professor Yogesh Singh, the Vice-chancellor of Delhi University, and the event was attended by donors, philanthropists, notable alumni, teachers, and students.
