

## Shri Rajesh Mehra

The College library is on the verge of completing a significant expansion, thanks to the generosity of **Shri Rajesh Mehra**, a distinguished alumnus of Hindu College and the Director and Promoter of Jaquar Group. This expansion aims to offer students a spacious and contemporary academic space, facilitating their access to a broader array of resources and enhancing their opportunities to deepen their knowledge and comprehension in their respective disciplines. The expansion will offer the student community access to extensive readings areas and online access points.
