

## Invited talks/seminars/training courses

The DBT star program has provided an excellent opportunity for both faculty & students to interact with eminent scientists by organizing various Invited talks/seminars/training courses

List of Invited talks/seminars/training courses conducted by the college:

### Seminars/Talks/Visiting Faculty details: Interdisciplinary

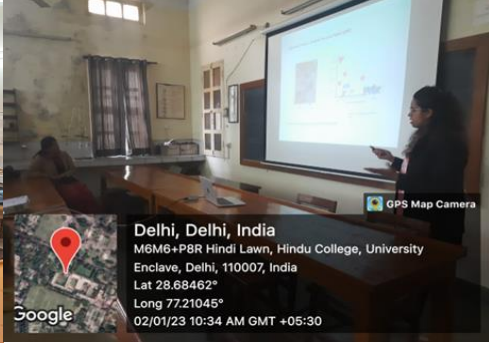

S. No.	Details of Seminars/ Talks/ Visiting Faculty visits	Participating Departments	Number of Beneficiaries
1	<p>GREAT Talks: Collecting Scientific Innovation at the Science Museum, London.</p> <p><u>Speakers:</u> Ian Blatchford, Director &amp; CEO of Science Museum Group, UK. Natasha Mcenore, Keeper of Medicine at Science Museum, London</p>	Chemistry, Botany, Physics & Zoology	200
3	<p>One day seminar on “Flavours and Fragrance</p> <p><u>Speakers:</u> Mr. Hans Holger Gliewe, Chairman, IFRA; Ms. Martina Bianchini, President, IFRA; Mr. Michael Carlos, Chairman Emeritus, IFRA; Mr. Dirk Hudig, Secretary General, European risk and Innovation Forum</p>	Chemistry and Botany	200
4	<p>International Conference on Infectious Diseases: Management, Control and Prevention.</p> <p><u>Speakers:</u> Prof. Ronalodo Oliveira, UFRPE Recife; Dr. Lindomar Pena, FIOCRUZ Recife</p>	Chemistry, Botany, Physics & Zoology	100
5	<p>International Conference on Environment, Water, Agriculture, Sustainability and Health-Strategizing a Greener Future.</p> <p><u>Speakers:</u> Prof. Shubhankar Suman, Georgetown University, Washington D.C.;; Dr. Ramesh Kumar, Hanyang University, Republic of Korea</p>	Chemistry	300
6	<p>Talk on “Chemical Recycling of Ocean-borne and Post-Consumer Plastic to Renewable Polymers”.</p> <p>Speaker: Prof. Basudeb Saha, President &amp; CEO- Rikarbon, USA</p>	Chemistry	150

7.	Super Massive Black hole in early galaxies by Prof. Patrick Das Gupta on 06.02.2023	Physics	200
8.	Optics and Photonics around us by Prof. Anurag Sharma on 06.02.2023	Physics	200
9.	Talk on Exploring therapeutic role of Endoplasmic Reticulum in Alzheimer's Disease.  MsKarnika Gupta, Ph.D. Student at Dementia Research Institute, University of Cambridge.	Zoology	60
10	Organized one day seminar, Collecting scientific innovation at science museum London 14 <sup>th</sup> Nov 2022.	Botany	64
11	One day national seminar on Physical and genetic disorder at Hindu College.	Botany	64
12	Organized International conference Infectious disease management and control 23 <sup>rd</sup> Nov 2022	Botany	64
