

Employer feedback analysis

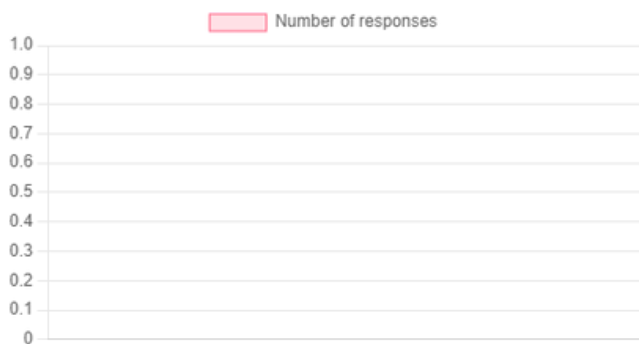

Introduction

The IQAC team of the institution has collected feedback from the employers as part of quality monitoring and quality assurance practices implemented in the institution. Feedback is usually collected during the regular interaction with the employers, the feedback link is also available in the website and employers are encouraged to fill in the feedback form.

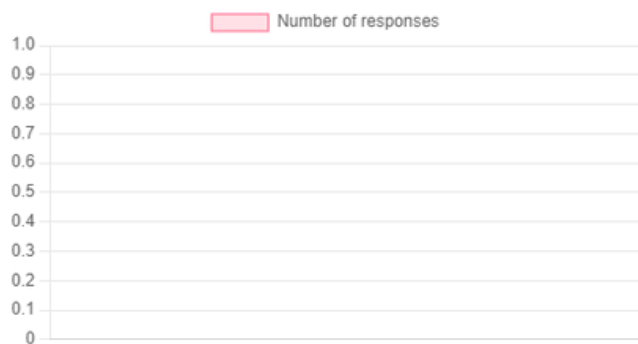

The data so collected by using an online software is also analyzed by the software and the result is reviewed by the IQAC team. Recommendations are prepared and forwarded to the management. Action taken report is also prepared department wise for follow up actions.

The following is the analysis of number of responses per question.

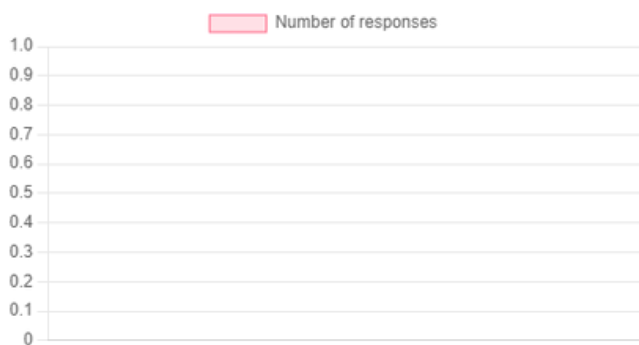

Syllabus is need based and suitable to the course

The curriculum has well de ned objectives

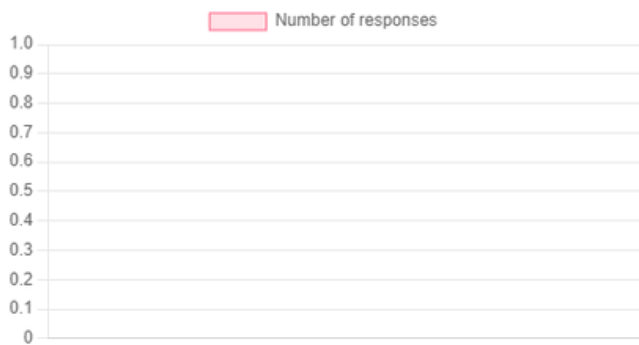

The curriculum has components to address requirements of job

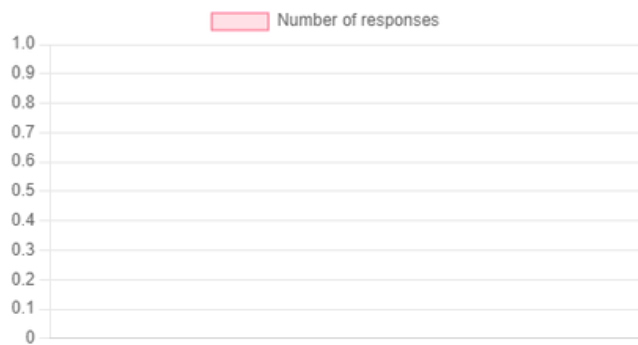

The curriculum gives exposure to latest developments in the eld

The curriculum contains adequate course content and reference material

Reference books are available in the library

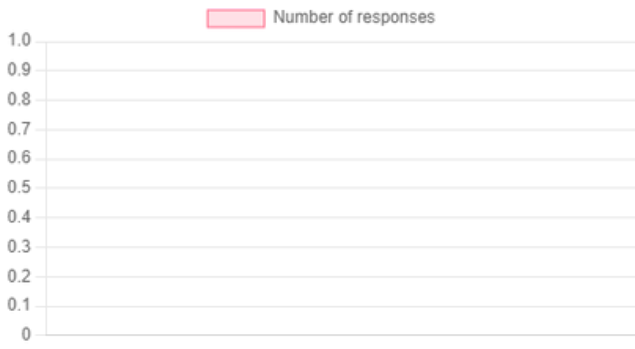

The curriculum contains adequate balance between theory and practicals

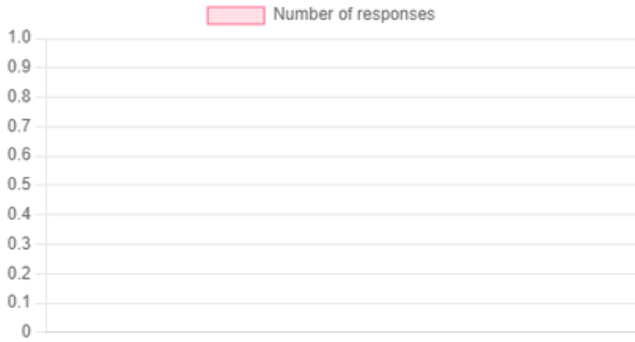

The curriculum provides experiential learning through student seminar, group discussion, projects, eld visits

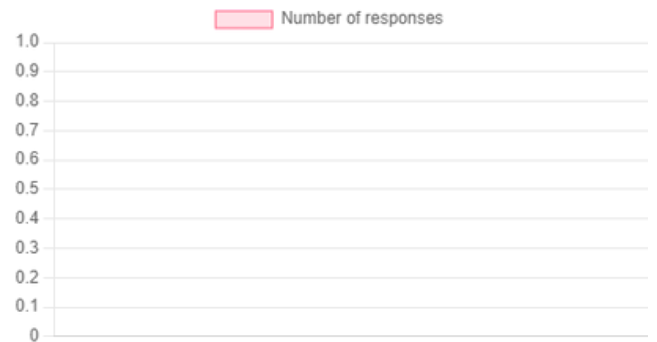

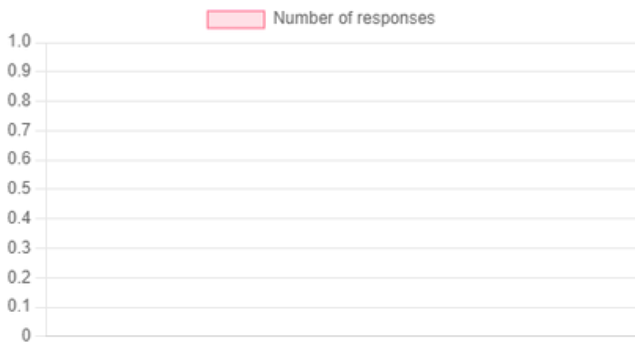

The curriculum contains sufficient elective papers

The curriculum provides options for continuous assessment through quiz and exams

The time provided to complete the curriculum is adequate

The curriculum facilitates adequate self learning

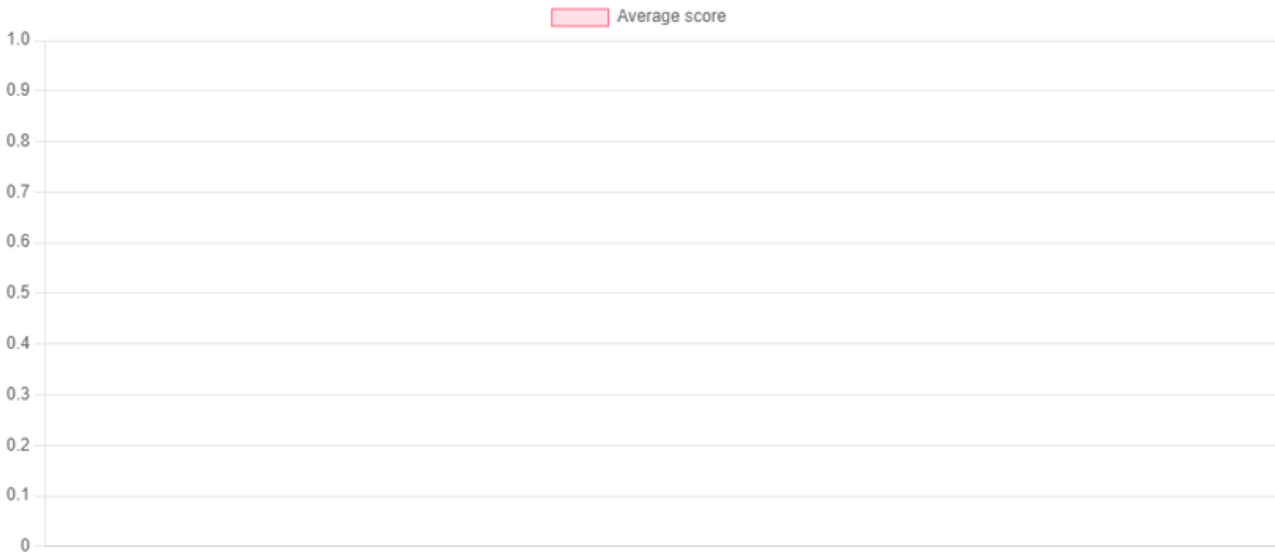

Average score

The IQAC team has also analyzed the overall responses and the average score per question. In order to achieve this, responses for each question was collected in a scale of 1-5, with 5 being the most favorable and 1 being least favorable. The average score was calculated over total responses collected over time for all the programs and it was analyzed by using the software.

Recommendations are prepared and forwarded to the management. Action taken report is also prepared department wise for follow up actions.

The following is the analysis of average score per question.

Conclusion

Feedback analysis and action taken report is a regular quality monitoring and quality assurance activity of the IQAC team of the institution. Feedback is collected every semester and reports are analyzed. The recommendations are also reviewed and appropriate actions are taken. The actions taken are noted in the IQAC Annual Quality Assurance Report and submitted in the yearly reports.

In case there is any recommendation that requires detailed planning and effort to implement, the same is noted in the Plan of Action of IQAC for the subsequent year in the AQAR. The activities are monitored and outcome is mentioned in the Actions Taken in the next year AQAR.
