- *Special Session on "Sustainability Matters: Integrating GC Principles with SDGs" by the Pioneers & Founders of GC- Prof. Paul Anastas & Prof. John C Warner*
- *Session on "The Industrial Perspective-Implementation of GC in Industries" – Hearing from the leading Industrialists from Dr. Reddy's Laboratory Ltd., Reckitt Benckiser, Ultra International Ltd.*
- *Keynote/Plenary Lectures*
- *Brainstorming Interactive Educational Workshops: Enthusing/Stimulating Creativity & Skills*
- *Celebratory dinner in honor of GC pioneers*
- *Pre-Workshops for Students*

-The names of organizing and advisory committee members were suggested.

- A few conference grants were highlighted and the committee decided to apply for the same.

-Principal highlighted that this is an opportune moment for all the academicians, scientists, industrialists, researchers and students to recognize and appreciate the innovations and carry forward the huge responsibility of transitioning towards a waste free world. The journey has influenced our perspective significantly, from how we realized the need for changing our age old practices to integrating new thoughts and principles for safer alternative practices/routes/products to making the world realize the annotations of the word "GREEN."

It was announced that for discussing the intricate details of the program, another meeting would be called soon. The meeting finally ended with a vote of thanks by IQAC Director.
