- Best out of Waste Competition on 14<sup>th</sup> September, 2022 to promote the concept of “Reduce, Reuse, Recycle and to demonstrate the creativity and resourcefulness of the youth of the nation.

Principal extended her appreciative comments in view of some of the special events planned especially “Best out of waste Competition” and was quite excited to see the outcomes. In fact, she highlighted that we must all encourage the students to think out of box and take start-up initiatives.

IQAC director mentioned that the NSS teacher coordinator and volunteers would be called for a meeting on 22<sup>nd</sup> September, 2022 at the principal office to update about the various arrangements and disciplinary measures being taken for the same.

**Agenda 2:** Successful conduct of Going Global Workshop under the aegis of Going Global Exploratory Grant awarded to Hindu College in collaboration with University of York, University of Delhi and University of Ladakh and sponsored by British Council.

All the committee members were briefed about the outcomes of the Going Global Workshop which witnessed the participation of 20 undergraduate students from Hindu College who had been selected on the basis of a rigorous selection process comprising of a test followed by interview. Principal herself was quite impressed by the contribution of the students towards the designing of a fit-to purpose course on Green Chemistry that would foster the transnational exchange of Indo-UK students. She highlighted that this was indeed for the first time that a course was being designed for the students by the students. Prof. Avtar Matharu (Director, Green Chemistry Centre of Excellence, York University & UK Collaborator) was quite impressed by the intellect of these young students and the way they had expressed their thoughts on such initiatives.

The young students were given such an exposure right at the beginning of their educational career which was commendable. Shri Arjun Ram Meghwal ji (Minister of State & Parliamentary Affairs) had himself delivered quite a motivational speech on the need and way to practice Green Chemistry in everyday life. The Principal was invited by British Council to attend another INDO UK Workshop and share her experience and expertise on how the utilization of the exploratory grant was being done.

The announcement of the initiation of the course which was designed during the workshop was also made.

**Agenda 3: Upcoming Research Fellowships for Teachers**

In order to shape the next generation of high quality research at the college, members present in the meeting were informed that two prestigious research fellowships (Prof. N. V. Thadani Memorial Research Fellowship and Dr. B. M. Bhatia Memorial Research Fellowship) that would be started soon for interested faculty and students.

The meeting ended with formal vote of thanks.
