Following strategies were highlighted:-

1. Switch to Learning Management System (LMS) through Microsoft Teams for the entire college along with Microsoft Office complete package, to facilitate the online classes where separate classes would be created and students would be added.
2. Use of writing pads would be encouraged specially the science streams for the effective teaching.
3. Setup of audio-visual labs and teachers use this facility to deliver online lectures that utilize multimedia to explain complex concepts which require visualization.
4. Other kinds of creative online evaluative strategies, like oral tests, quizzes, objective tests, presentations would be encouraged.
5. Teachers would be requested to share all the study material so that students can cope up with the loss owing to low internet connectivity etc. especially students residing in remote parts of the country.
6. COURSERA for CAMPUS: College would establish a tie-up with COURSERA for courses free of cost for students.

Apart from this, a separate web extension was planned for admissions to meet any eventuality with complete digital access to Admissions 2020. Also, the institute decided to keep on updating on the COVID response including guidelines issued by the central government and the university and helpful tips and advice for students and useful links would be provided.

Principal highlighted that continuous review meetings would be required to be organized to ensure the smoothness in the teaching-learning and admission related assignments along with coping with the pandemic.

The meeting ended with thanks to the chair.
