Minutes of the Meeting

An online meeting of the Internal Quality Assurance Cell (IQAC) of Hindu College was held on January 11th 2021, Monday, at 12:00 PM. The meeting commenced with Prof. Anju Srivastava, Principal greeting the members.

Following members were present in this meeting:

Prof. Anju Srivastava, Principal, Hindu College 

Dr. Reena Jain, Vice-Principal, Hindu College 

Dr. Shalini Suryanaryan, Director, IQAC 

Dr Rameshwar Rai 

Dr Archana Verma 

Dr. Kamal Nain 

Dr. Shankar Kumar 

Shri. Sanjeev Dutt Sharma 

Shri Jai Inder Pal Singh 

The following items were reported:

1. All the faculty members who were able to publish in high impact factor journals during the previous year were applauded, and the principal specifically highlighted the significance of promoting research in higher education and teaching. The year's most-cited authors would be recognised and praised in a special way to encourage more good research in the college.
2. The IQAC Director reported all the activities that were conducted successfully during the past year, including some of the ones that had a significant social cause. A special mention of the NSS Hindu was made as this society had displayed an amazing gesture of celebrating humanity and compassion by donating the amount collected to the

Mother Meal program, launched on August 16, 2020, by Justice Kurian Joseph, to end hunger and starvation. This programme was based on the concept of family-to-family support. In collaboration with Mothers Meal, NSS Hindu has adopted 3 families and will feed them for the next 6 months.

3. It was decided to also adopt the regular feedback approach for advancement in the teaching learning programme. Consequently, a plan of action regarding this was proposed.
 4. The initiation of activities by the Hindu College Innovation Cell was discussed. A lecture series which would involve some of the best science experts from various disciplines, including international speakers, was planned.
 5. In the interest of best practises in teaching-learning, remedial classes were planned for slow learners, which would be scheduled as per the convenience of the students. Principal-Prof. Anju Srivastava highlighted that the overall focus should be on empowering each and every student with knowledge and making him/her an independent thinker.
 6. The introduction of new value-added courses was discussed as subjects of potential interest for a broad range of students from diverse streams.
 7. To take the institute to a higher level, it was decided to work for student exchange programmes and conduct special lectures by fellows who are placed in good universities across the world, especially some from the rich alumni of the college.
 8. One of the members of the governing body proposed that, considering the status of the college, we must encourage industrial field visits, internships, summer-winter training programmes, and research-oriented activities that would involve collaborations with foreign universities.
-
9. All the members were informed about the COVID-19 task force being set-up in the college that had arranged hospital beds, oxygen cylinders, and oxygen concentrators for many of the teaching and non-teaching staff members. A COVID vaccination camp was held at Hindu College, and free face masks were distributed on campus to aid in the fight against the ongoing pandemic.
-
10. A few upcoming activities in collaboration with MLB College, Hisar were discussed, including:
 - The Digital Financial Literacy Campaign
 - Beti Shrishti ka Adhar bhi Sansar bhi - Girl Child Importance
 - Peace movement Maharishi World Peace: Ideal India Campaign

For the smooth conduct of these events, committees were constituted.

The meeting ended with a heartfelt vote of thanks by the IQAC Director.
