June 01, 2022

Dr. Vivek Kumar Verma,
Department of Physics,
Hindu College,
University of Delhi,
Delhi-110007,

Dear Dr. Verma,

It is a genuine pleasure to convey to you the offer of affiliation as a Fellow at the Delhi School of Climate Change & Sustainability, Institution of Eminence (IoE), University of Delhi. With the announcement of the results of a rigorous selection process, you join a select group of twenty-five fellows from diverse backgrounds and institutional affiliations within the University of Delhi. Each of the fellows has made significant contribution to her/his field of research and has demonstrated an interest in contributing to the inter-disciplinary/multidisciplinary programme of the IoE and its Schools. We are confident that you will contribute richly to the intellectual community at the IoE and to the academic growth of the school you are affiliated with. Our efforts shall be to facilitate your research activity in terms of providing available resources within the overall framework of the school.

The work you will undertake as a fellow is going to be the *raison d'être* of this award and the initiative of the IoE. Our endeavour shall be to provide you with an intellectual springboard comprising eminent scholars and experts in the area of your interest. We will make sure you become a part of the community of distinguished researchers at the IoE which will help further your academic growth and propel the University of Delhi to achieve its rightful place in the global academic arena.

With this distinction also come responsibilities. While the main focus of the award is supporting you to pursue your own work, you will be expected to actively participate in various academic activities and programmes of the school as decided by its Governing Body from time to time which will include engaging actively with the colleagues, researchers and students.

We ask you to make a detailed plan for the two-year period and may like to make yourself available for the task you have set for yourself. A copy of this communication is being marked to your Principal, who I am sure will be as proud of you as we are here at the IoE, and graciously permit you to concentrate on your work as a Fellow of the IoE.

Your affiliation as a Fellow will extend from June 01, 2022 through May 31, 2024. The award does not carry any stipend or salary, and will run concurrently with your ongoing college assignment. However, this award, besides other resources, will allow you to access the minor research project funding under the faculty research project (FRP) initiative of the IoE which you can undertake at your respective school.

We look forward to meeting you soon formally at the IoE, DU and you will subsequently discuss your plans and role at the IoE with the respective Director of the School. We will inform you about the induction programme shortly via email, which is tentatively scheduled for the afternoon of June 06, 2022.

Welcome and congratulations.

Sincerely,

Maharaj K. Pandit
Chief Executive Officer
Institution of Eminence
